## Comparable Sales Chart

The Subject Property Information report will provide all the information available to us from public records for the address listed above. In addition to any recent sales data and mortgage information, it will include, where available, the physical characteristics of the property.

Information regarding the physical characteristics of a given property, such as living area, year built, bedrooms baths,etc... and previous sales information are obtained from public record and reported as is. As such, they will vary in content and completeness from county to county and state to state.

Further, such information has not been verified by this service through site inspection and may be subject to errors due to building additions or deletions or any other changes as well as inaccurate reporting by previous owners, agents or the public agency.

## Assessment Cluster

The following are the Tax Assessment for the 15 closest residential properties to the identified subject. The assessed value for each identified property may or may not be representative of the market value, or have the same tax ratios subject to local tax law.
