The flood information contained in this report was obtained from maps provided by the Federal Emergency Management Agency (FEMA). Whenever possible we will report if the subject property is inside or outside of a 100 year Flood Hazard Area. These areas are defined as areas that have a one percent (1%) chance in any given year of being affected by a significant flood.

The flood information contained in this report is merely a preliminary review intended to provide the buyer, seller or agent guidance and general proximity of the subject property in relation to the 100 years flood hazard area. The buyer should obtain exact specific information from the seller or agent prior to finalizing his decision regarding the purchase of a given property.
